THE WAR BETWEEN THE STATES,
its Causes, Character, Conduct, and Results,
by HON. ALEXANDER H. STEPHENS.
A BOOK for all sections and all parties.
All who desire to read a book by the "GREAT STATESMAN" of the South, presents the most complete and impartial analysis of the causes of the war which has ever appeared from a Southern pen; it treats, without partiality, and in the utmost moderation, of the character of the struggle; and in its description of the conduct of the war, it gives those interior lights and shadows of the conflict only known to those high officers who watched the conduct of the war, and who were in the front of the struggle, and which were so accessible to Mr. Stephens, from his position as second officer of the Confederate States. The results of the war, present and future, have never been treated by any other officer, and Mr. Stephens' great abilities have here found their fullest play.

No other Machine in the World can do these things.
The Farmer doubles the value of his wool by converting it into Knit Goods. His girl or boy prepares it for the market without expense. A large amount of custom knitting may be done in every neighborhood.
The Machine now pays for itself in any family, and offers to women a new and independent occupation. The Sewing Machine is confined to sewing together parts of fabrics. The Knitting Machine actually MANUFACTURES the fabrics and fashions them into garments for use. It is simple, durable, easily operated, and guaranteed to succeed in the hands of every purchaser. The LAMB MACHINE has taken First Premium, Gold and Silver Medals at all Fairs and Exhibitions, including the "Paris Exposition" of 1867.

LA GRANGE, Mo., Jan. 6th, 1868.
Mr. M. W. LEET: Sir—Too much cannot be said in favor of the Knitting Machine I purchased of you last Spring. Indeed I almost think, sometimes, that language would fail to express its true value. I bought the machine for the purpose of making money, and have succeeded. I have had to trouble at any running it. I can testify to anything you may wish in its favor. Respectfully,
Mrs. W. S. BOHON.

TEANY, HINER Co., Miss. Jan. 23, 1868.
Mr. M. W. LEET: Dear Sir—We are much pleased with the Knitting Machine. My wife and I would not take \$100 for it. I could find purchasers for several more, were it not for the scarcity of money in this region.
Yours truly,
H. L. BRACEY.
